INTELLIGENT MARKING SOLUTIONS

Marks Pryor Marking Technology Pvt. Ltd., a joint venture with M/s. Edward Pryor & Son Ltd., UK, founded in 1849, as a specialist manufacturer of marking tools and equipment, is today a world-renowned leader in the field of industrial marking technology.

Indentation stamping has been a widely accepted method for marking data such as part names, part numbers, serial numbers, Company Logo, batch no. etc., on products & components. Apart from facilitating easy identification for stocking, replacement and repairs, neatly marked products suggest "Quality" to the potential buyer, improves Brand Loyalty & Reliability and therefore ensures purchases.
