Specification Details

- No loose parts. The unit is complete, compact and sturdy tool - always ready to use
- 'Marking Wheels' can be rotated to any desired position, then locked positively by a locking pin
- Individual Wheel Release: Which means one wheel can be released at a time, without disturbing set-up of other wheels. (The locking pin can be 'pulled' to release just that one wheel!)
- Each 'Marking Wheel' has 11 faces, with 0 to 9 figures on 10 faces and one face black
- Alpha Wheels also available with A to J, K to T and U to Z having one blank face
- The Size Range of Mark Pryor Hand and machine Numerators is as follows:

Rotary Type Numerator Code Number	Character Size mm	Character Spacing mm	Number Of Wheels
6 HN 2	2	2	6
6 HN 3	3	3	6
6 HN 4	4	4	6
